

# OUR PROMISE TO YOU

Vassar Diagnostics is your community medical testing provider. Dedicated to excellence and personalized service, we look forward to serving your needs with the compassion and professionalism you deserve.

## Local, personalized service

Your needs are our top priority. We take great pride in our highly trained team and our ability to offer excellent, reliable service. Our representatives, technical staff, management and medical professionals live locally and understand your needs. We are dedicated to serving you and your family.

## Insurance coverage

Avoid expensive co-pays, deductibles and higher non-covered service charges thanks to our comprehensive insurance coverage that includes many of the top providers in the industry. For a complete listing of providers, please visit [vassardiagnosics.org](http://vassardiagnosics.org).

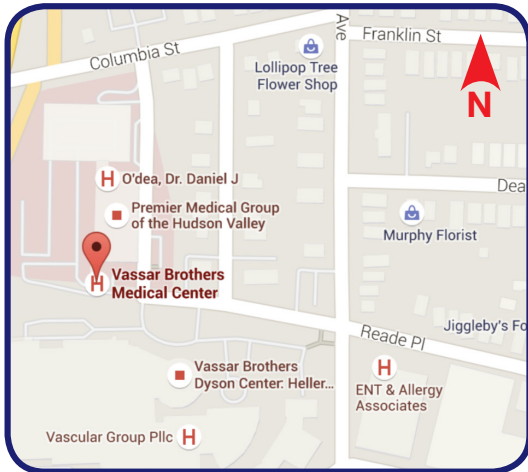

## Convenient locations

For your convenience, take advantage of our easy-access locations throughout the Mid-Hudson Valley. To find the location nearest you, please refer to the maps on the next page.
